

Instructions for MASTER ROSARIAN APPLICATION

Consulting Rosarians are among the most knowledgeable and active people in the American Rose Society. The ARS needs a well-motivated and educated group of CRs if the ARS is to continue to succeed in its mission. Therefore, the Master Rosarian designation was created to recognize those CRs who have made outstanding contributions as CRs over a significant period.

The Master Rosarian (MR) is a Consulting Rosarian (CR) who:

1. Exemplifies knowledge of roses and their culture.
2. Shows a strong and demonstrated willingness to share this knowledge with other rosarians and the public.
3. Is a model of the ethical behavior exemplified in the CR program. The achievement of the Master Rosarian designation by a CR recognizes their outstanding contribution.

Basic Requirements

1. A minimum of 10 years of **continuous service** as an active CR.
2. Outstanding performance (documented in the application form).
3. Be an active accredited CR at the time of the application.
4. A willingness to continue to serve as a CR.

Application, Selection, and Communication Process

1. Announcements should be published in local society and district newsletters. The District Director and the local society presidents are responsible for making their memberships aware of the application and selection process. There are no limits to the number of yearly selections of MRs within a District. If there are questions about an applicant, the committee may request additional information from the applicant's author or the applicant.
2. A request for applications will be announced by the ARS in the spring (for 2021, summer). Complete rules and procedures will be sent to each District Chair for publication on their website and in the District and local newsletters.
3. Submit applications on the official form available from ARS HQ and on the ARS website. CRs may apply themselves, be suggested by other ARS members, or by a committee of their local rose society or of the District. Complete the form in its entirety, **do not leave any sections blank**. Please consider whether the RIR and District Annual report (if required) were filed.
4. The completed form should be sent to the CR Chair in each District. A committee consisting of the District CR Chair, the District Director, and at least one other person, will review the applications and approve or not approve. The District CR Chair should serve as the Chair of the committee and facilitate the process. Base your selections on information provided in the application form and from personal knowledge of a candidate's credentials.
5. All approved or not approved applications at the district level will be forwarded to ARS HQ.
6. The National CR Chairs will review the decisions of the committee and announce the final selection. In addition, the National CR committee will resolve disagreements regarding selections.
7. Districts should acknowledge the new MRs at an appropriate district meeting in the fall or winter following selection. All MRs will be given the MR certificate available from ARS HQ. In addition, an optional MR pin is available for purchase. If there is no appropriate District meeting, the announcements may be made at the local society level.
8. Local societies and Districts are encouraged to publicize the names of those who have achieved the Master Rosarian designation.
9. Complete all portions of the application form. It is understood that every question may not be relevant to each candidate, but a Master Rosarian should excel in several areas. Additional documentation is needed when requested. If you are uncertain about the credentials of any applicant, ask the candidate or someone who can help you. An incomplete form weakens the overall application. A 'yes' response is not sufficient for those questions requiring an explanation.
