## **DISTRICT DIRECTOR'S ARTICLE**

**Steve Campbell**

[steve@teamameritest.com](mailto:steve@teamameritest.com)

Hi everyone,

Life certainly has a way of changing before our eyes from day to day. For many of us this past two years has seen many changes and we have watched as our rose growing friends have faded.

For Lynn and me, we have selected our bus/ RV conversion as our home and now are trying to adjust to “mobile” living. It is quite a transition to actually realize you have no place to be other than where you are at the moment. I find it difficult to embrace that I am at my destination, wherever I happen to be... kinda like a hermit crab.

Anyway, enjoy with me the picture from our window just now, overlooking the Albermarle Sound's Pasquatank River and the boat yard where we will spend a few months working to splash the boat.

This is my last message to you as Buckeye District Director. I will be replaced by Audrey Palumbo of the Toledo Rose Society at the September meeting of the ARS Board of Directors.

It has been a wonderful six years and I so appreciate every Buckeye District member who helped me every step along the way. You have been kind and gracious and have always been willing to help me represent you before the ARS.

While we had a one year handicap from the Covid virus from China, I believe we had a good run overall. Now, we round the corner to our future.

Audrey and Chris Brogan have really stepped up to the plate in launching our next three years. I challenged them to be boldly aggressive in using our District's treasury to increase memberships in local societies and expand educational outreach programs to attract new rose growers.

What we have done in the past is not working now. We must re-invent ourselves to be relevant in our rapidly changing society. Our aging membership has not exhibited the energy to be evangelists.

Therefore, we need to find ways to use our financial resources to promote roses and increase activity in our local societies.

I'm reminded of the best outreach manager in history. Jesus had a pretty successful outreach plan. It was to share His story with 12 people and then ask each of them to repeat the program and teaching them to pass it down through the millions of people who now profess Christianity and who continue the plan.

Through social media, and horticulture outlets, we must use our money to expand. That could include printing fliers, business cards and using classified advertising, setting up on-line rose tips educational seminars, sponsoring scholarships and awarding prizes to students who take an interest in rose growing.

DARS youth program is a good example as well as some other local societies that have youth activities.

We need to have our roses in front of people. Greater Cincinnati Rose Association has paved the way participating in their “Ault In Bloom” annual event. “Good on you guys and gals”.

I also appreciate our district’s expertise with people like Peter Schneider, Lou Shupe and Gary Barlow. And we can’t give credit to folks without the name of Jim Hering who never says “no” when asked to help.

Buckeye District has the core to expand and become much more than it is today.

As I bow to you and the curtain closes on my active role in district events, I challenge you to greater outreach. Scripture tells us, “He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully.

In retrospect, we apparently haven’t been very efficient sowers. I hope this message will resonate with all.

Meantime, I’ll be “on the road” sharing my rose experiences and knowledge as a proud ARS Consulting Rosarian. Last week I talked with owners of 4 different establishments and offered them advise to care for their ailing roses.

And I will always keep my rose garden with me, albeit it is made of aluminum and paint. It is proudly displayed as a large A/C vent on my front driver side bay door

Thank you again Buckeye District... You are fantastic.

Hope to see you in September.

Steve

## **DISTRICT DIRECTOR ELECT REPORT**

**Audrey Palumbo**

[apalumbo@bex.net](mailto:apalumbo@bex.net)

Our District Director, Steve Campbell was unable to get to Shreveport for the June ARS Board Meeting because of mechanical problems.

District Directors Elect were invited to attend the ARS Board meeting June 3, 4, and 5th because of the online chatter of the Great Lakes District's inability to find someone to run for the position of District Director and the suggestion that the Buckeye and Great Lakes Districts merge. The merger idea was quickly squashed as ARS President Bob Martin explained the ARS Constitution and By-Laws. At the end of the ARS Board Meeting, Bob Martin approached me and asked what I thought of the proceedings and also informed me that the Tenarky District had the same problem when he became President of ARS. As I understand it, currently our incoming President Diane Summers, is working with Duane Dedene, the out going Great Lakes District Director to try to solve the problem.

A progress report on the ARS Great Garden Restoration Project and the Dedications of the new gardens-within-the Gardens was published in the July/August ARS Magazine. A more detailed report was given by Executive Director, Jon Corkern, at the ARS Board Meeting, June 3,4 and 5, 2021 in Shreveport.

In addition to all the improvements in the ARS Gardens and Klima Rose Hall mentioned in the article, the Maintenance Endowment Trust was used for a major septic system overhaul. The flooring in the Chapel was replaced and several roofs were replaced and/or repaired. Burglar and Fire alarm systems were added. A host of maintenance equipment was repaired or purchased. The irrigation and electrical systems were improved. Gravel was added to the parking lot and the phones and internet were updated.

The new 8 seater golf cart was a wonderful asset during the garden tours.

ARS Treasurer Jack Page and President Bob Martin, a tax attorney, helped apply for the Payroll Protection Program in order to keep the ARS staff during Covid.

The goal of the ARS Executive Director Jon Corkern, his staff and the ARS Board of Directors is to make the ARS Garden a self supporting, destination site in the Shreveport /Bossier City area. Plans are to be able to have up to three weddings/or events on the same day.

Other fund raisers include Christmas in Roseland. There is one huge Magnolia for which they are trying to get lights. They also have an Easter Egg hunt. Both events include food trucks. Their kids train was a big hit until it developed a problem. Plans are to try and repair it. The newest fund raiser idea is online educational events, so stay tuned.

I also learned that Jon is a former Boy Scout Executive from the area and is excellent at the job of getting local volunteers to help at various events/projects.

Jon also reported the March 2021 membership numbers

6929 MEMBERS

129 FREE TRIALS

9118 E-MEMBERS (1931 of these members are also ARS members- they have not been double counted)

14,245 TOTAL MEMBERS IN MARCH 2021.

\* 484 members were renewed in March 2021 for a renewal rate of 79% and with the expired members included it increased to 93%.

They will continue to focus on reaching out to our expired members.

## William A. Solarz

February 8, 1944 - July 22, 2021

William A. Solarz, 77, of North Olmsted, Ohio passed away on July 22, 2021. He was born on February 8, 1944 to the late William Solarz and Helen (nee Bishop) Maxey.

As a child, he attended Sewanee Military Academy and was a proud veteran of the US Air Force and a faithful and active 4th degree Knight of Columbus. William was a member of the American Rose Society and Forest City Rose Society and his meticulous and well- manicured garden was often featured in the Ohio Home and Gardens tour.

He will be deeply missed by his beloved wife Anita R. (nee Havlatko); loving son Matthew Solarz; and cherished grandchildren Kelsey (Connor) Lawrence and William M. Solarz.

The family will receive friends on Wednesday, August 4, 2021 from 5-8 PM in the Chapel at Sunset Memorial Park, 6245 Columbia Rd. North Olmsted. Mass of Christian Burial will take place on Thursday at 10 AM at St. Mary's of Berea, 250 Kraft St, Berea. Graveside services with military honors will follow at Sunset Memorial Park in North Olmsted.

## LOCAL SOCIETY FIELD TRIP

The Toledo Rose Society had a field trip to Marion on 7/27/21 and visited Jim and Anne Hering's rose garden and the Marion General Hospital Memorial Rose Garden. Thirteen members attended.

# CELEBRATION OF LIFE

On Tuesday, July 20<sup>th</sup> Barbara and Doug Zimmerman hosted a celebration of life for their husband and father, Jim Zimmerman in Dayton. Buckeye Rosarians attending included Shirley Klinefelter, Ann and Elton Smith, Audrey and Tony Palumbo, Jeannette and Len Pavuk, Denise Mraz and Anne and Jim Hering.

Edna Edwards – The Buckeye District lost another outstanding judge when Edna Edwards passed away this spring. She and her late husband, Dave, had been Accredited Judges for longer than I can remember, and they both progressed to Emeritus status when they returned from living in Florida. Edna and Dave were instrumental in the formation of and leaders of the Delaware Area Rose Society which meets at Willow Brook Christian Village where they resided. Edna is dearly missed by her family, friends and fellow rosarians.

2021 Fall Buckeye District Conference and Rose Show – The fall district conference and rose show will be held in Waldo on Saturday, September 4<sup>th</sup> at All Occasions Catering. A registration form including the schedule of events is included in this issue of *The Buckeye Bulletin* and there is **no registration fee**; please send it to me (email or regular mail) by August 25<sup>th</sup> since we need a count for the caterers. Our guest speakers will be Kevin Johnson and John Smith from Microbial Science Laboratories, and they will explain their company's products which are being used by some of our members. John will take orders for some of his exhibition hybrid tea introductions which will be available for December or March shipping, including 'Randy Scott', 'Claire Elyse', 'Baby's Blush', 'Sunny Sundays', 'Amy' and 'Kinze's Charm'. A copy of the show schedule is available on the Buckeye District website ([buckeyeroses.org](http://buckeyeroses.org)) or from me by email. Rose show entries begin at 7:00 am, judging at 11:00 am and lunch at 11:30 am. The rose show will open at 1:00 pm, and the district business meeting and program will start at 2:00 pm.

Buckeye District Challenge Classes and Trophies – The Ad Hoc Committee on District Challenge Classes and Trophies proposed changes to the membership at the spring meeting, and they were approved. The recommended changes were described in the winter edition of *The Bulletin* and have been incorporated into the show schedule for the upcoming district rose show.

Guidelines and Rules for Judging Roses – *The Guidelines* have undergone a major revision, primarily dealing with disqualification and penalization, as described in the spring edition of *The Bulletin*. The revised *Guidelines* are now available for downloading from the ARS website ([rose.org](http://rose.org)) and are in effect for this year's rose shows.

Judging Seminar Requirement – Because of the pandemic causing cancellation of rose shows and judging seminars, the four year seminar requirement has been extended to five years this year. You can see when you are due for a seminar by checking the Judges' Roster in this edition of *The Bulletin*. I plan to have a seminar next spring. We currently have three Apprentice Judges - Marian Wyman, Audrey Palumbo and Chris Brogan - and they and I would appreciate it if you would invite them to judge your local shows so that they can progress to Accredited status.

Roses in Review – The July/August issue of *American Rose* will contain a list of roses for us to evaluate this year and the instructions for submitting your review electronically.

Buckeye participation in this process last year improved from previous years, and I hope this is a trend. Each year the mechanism for submitting reports is revised and made easier. I encourage you to continue to be involved in this evaluation, or begin this year for the first time. Please submit a report even if you do not grow any of the roses on the list or grow only one or two.

Winter Protection – I would be remiss if I did not follow-up on a comment that I made in the fall edition of *The Buckeye Bulletin* regarding winter protection. I told you that I planned to cover a bed of 40 hybrid teas with concrete curing blankets. After the second hard frost I pruned all large roses (not OGRs, shrubs or climbers) down to about 12-14 inches and covered all roses with two to three heaping spade-fulls of hard wood mulch. Then I covered a bed of 40 HTs with #1 concrete curing blankets, applied plastic collars to a bed of 40 HTs and covered two beds of 40 HTs with rose cones. All of the other HTs and other roses had only the mulch. This spring, when I uncovered all of the roses, I could see no difference in the results from the four different methods of protection. All the canes were green, and I lost only 2-3 bushes in each bed. I will probably try this poorly controlled experiment again this winter since I have the materials, but only **IF** I have the energy.

## *American Rose Society*

The American Rose Society exists to promote the culture and appreciation of the rose, through education and research to members, to local rose societies and their members, and to the public.

### **Our History**

Founded in 1892, the American Rose Society is the oldest single plant horticultural society in America. The ARS is an educational, nonprofit organization dedicated exclusively to the cultivation and enjoyment of roses. ARS supports its members by providing educational programs, resourceful publications, and continuing research. We have more than 300 affiliated rose societies in our national network.

Most ARS members are home gardeners like you who enjoy growing roses and want to expand their knowledge of rose culture. Many members also enjoy the thrill of exhibiting their roses in competition with other rose-lovers or participating in photography contests and other rose-related activities. The American Rose Society has developed standards and guidelines for judging these competitions. We also publish a schedule of the various workshops, seminars, garden events and rose shows across the United States. The Society publishes an award-winning bi-monthly magazine, *American Rose*, which is devoted exclusively to roses and rose culture.

ARS is headquartered on the grounds of the beautiful American Rose Center near Shreveport, Louisiana. The American Rose Center features more than 20,000 rose bushes that comprise nearly 400 cultivars of modern and old garden roses.

ARS is a 501(c)(3) nonprofit educational organization governed by a volunteer Board of Directors and operated by the staff under the direction of our Executive Director and Executive Committee. All donations are tax deductible, as allowed by law.

### **Mission Statement**

The American Rose Society exists to promote the culture and appreciation of the rose, through education and research, to members, to local rose societies and their members, and to the public.

### **Vision Statement**

The rose is America's national Floral Emblem. We aspire to be the nation's best source for information, research and education about the rose for our members and for the general public. We will share this information through a website, a national network of Consulting Rosarians, and rose shows and non-competitive rose exhibitions open to the general public.

# 2021 ARS NATIONAL CONVENTION & ROSE SHOW

## "Cream City Roses"

September 10-14, 2021

Milwaukee, WI

Hosted by ARS Central, Illinois-Indiana, and North Central Districts

Contact: Bruce and Maggie Barr, Convention Co-Chairs

Phone: (414) 217-3087 Email: [rosemorehall@gmail.com](mailto:rosemorehall@gmail.com)

Hotel: Pfister Hotel, Milwaukee WI

Welcome to [creamcityroses.org](http://creamcityroses.org)

Set aside September 10 - 14, 2021, to attend the American Rose Society's National Convention and Rose Show. Plan on arriving Friday to enjoy speakers and our wonderful Milwaukee hospitality in a city identified in the 2018 Vogue as the "Midwest's Coolest City." We will have cold room storage for your roses as the Rose Show, featuring special Challenge classes, is on Saturday! Garden Tours will take place on Sunday & Monday. All of our convention speakers are ARS Klima award winners. Come to enjoy good rose fellowship, to learn from the best, and to enjoy our wonderful city.
